---

I am a student **Web Designer** who loves creating websites that are both attractive and easy to use. I enjoy mixing creativity with practical design to make each project look great and feel intuitive. I'm always learning and excited to bring new ideas to the table. Let's make something great together!

---

## EDUCATION

University of Arkansas at Little Rock  
Bachelor of Web Design & Development  
Minor in Information Technology  
GPA: 4.0

Fall 2023 - Fall 2025

University of Arkansas – Pulaski Technical College  
Associates of Liberal Arts & Sciences  
GPA: 3.5

Fall 2021 – Spring 2023

## SKILLS

- Front-end Web Development: HTML and CSS
- Proficient in Microsoft Word, Excel, and PowerPoint
- Adobe Photoshop, Illustrator, Lightroom, Premier Pro

## PROFESSIONAL EXPERIENCE

*Office Administration* – Fence World, Little Rock AR

August 2023 – Current

- Duties include creating invoices, taking phone calls from customers, filing contracts and other paperwork, looking through construction plans.
- Given me more experience with excel
- Useful experience with sending professional emails to contractors

*Retail Employee* – Sanders Ace Hardware

August 2021 – August 2023

- Duties include stocking inventory, customer assistance, loading different products for customers, cashiering, etc.
- I received experience with interacting with customers and working in high stress situations
- Overall, this job helped me become a hard worker and gave me a lot of great experience that will help me in the future.

## VOLUNTEER EXPERIENCE

*Photography* – Local Church

- I often take photos and sometimes videos for things that go on during the week at my church for content to display on Sundays.
- I take photos every week at a young adult ministry called “The Shop” on Thursdays. The photos are used for their social media.
